Assembly Instructions

1. Select a level area to operate with plenty of room to allow for a line to form.
2. Assemble framework, per sketch. Be sure to tighten down the fittings using the small bolts on them.
3. Attached the canvas to the framework with the ball bungees.
4. Turn on the sound modules and place them inside the pouches in the back of the canvas. Position the module so that the button is facing front and is at the bottom.
5. If using outdoors, it is strongly suggested that you use the stakes provided on either side of the bottom supports. Use sandbags on pavement. We strongly advise against using in a breeze.
6. Never store wet. Always allow to dry thoroughly before storing.

Canvas Care

1. If game becomes wet, dry thoroughly before storing.
2. Roll up the backdrops (with image side in) to help protect and keep it clean.
3. Store backdrops in the tote bag.

Safety Instructions

1. Do not use in strong winds or if there is a threat of lightning.
2. Set up and tear down should only be done by adults.
3. Use extreme caution when setting up or taking down the game. Do not allow people near the game when being assembled or disassembled. The sections of tubing can come apart and fall down causing injury.
